Admission Policies:

All qualified students are eligible for admission in our laboratory training programme for the next session. You are invited, along with your parents, on the following schedule on 21st April 2024:

Students who got qualified while appearing in 5th Std., 6th Std., and 7th Std. are eligible for admission in 6th Std., 7th Std., and 8th Std. respectively. Waiting list students will be given chance in case of denial of admissions by qualified students for which they can visit the exploratory in the first week of May. Attendance at the Counseling sessions is mandatory for both qualified students and parents to secure admissions on the same day.

Admission Fee:

The annual fee for admission is Rs. 6000/- and can be paid online or via cheque on the same day to secure the available slot on a first-come, first-serve basis.

and Admission Policies for Laboratory Training Programme

Concessions in Annual Fees:

Students from economically backward backgrounds will be given a concession of up to 50% in annual fees. Required documents (Income certificate) should be submitted at the time of admission on 21st April to avail of the concession.

Important Dates and Information:

- Those unable to attend the Counseling session on 21st April will have their seats given to students on the waiting list.
- Any grievances should be reported by 18th April, after which no further grievances will be entertained.
- The top 5 performers of the city will be felicitated during the session on 21st April.
- Admitted students will also be eligible to enrol for other training programmes such as Mathematics competitive exam cell, Dr. Homi Bhabha Balvaidyanik Competition exposure camps, and other programmes offered by the exploratory. For more details about other programmes: <http://prsscienceexploratory.in/>
- **Students who could not qualify in the laboratory training programme can avail the opportunity to attend summer camps in May. The notification for these camps will be released on 23rd April 2024 on our website.**

We urge all students and parents to be punctual and adhere to their scheduled Counseling times on 21st April 2024. Failure to do so will result in missing out on this opportunity.

Thank you for your cooperation, and we look forward to welcoming the new batch of students to our laboratory training programme.

Regards
Dr. Seema Ubale
Director
